## PRESIDENT'S MESSAGE *by CHRIS DUVAL*

Friends:

In my last President's Message of 2018, I want to thank you all for your support for me and for the entire board during this year. When I agreed to be nominated for the position of President, I was unsure whether it would be a good fit for me. Perhaps it would be too stressful, too difficult, too much work. I said that I would agree to one year, but would need the option to reconsider and not serve for a two-year period if it turned out that it was too much for me to take on.

Well, here we are, with one year under our belts, and the board has been so easy to work with and so willing to share the work load, that it has been a pleasure, and I have enthusiastically agreed to serve another year, as have our other officers as well. I hope that 2019 proves to be as smooth as 2018.

I want to highlight a couple of major achievements of 2018. With huge thanks to the efforts of Marilyn Peterson, we have a new website! Please check it out and let Marilyn know how much you appreciate this updated website. It serves as the first look that many people have of our club, and the new version represents us well.

I also want to give recognition to the team of Ann Sickles, Kathy Butler, Rosella Workinger, Russ Karow, and Rita Powell, who worked to save, store, sort, and purge our accumulation of archives and historical materials this year. Russ, in particular, continues to research how we might best store our archives. His efforts are appreciated. Rosella, who served as archivist for years and years, finally was able to hand off the duties and know that things are well in hand. Thanks, Rosella for your years of service to the club. Rita, and her husband Ted, have served the club in so many ways over the years, and our appreciation goes to their storage of club materials at their home – some of which are being sorted and reduced at this time too.

It takes many individuals to do the work of the club. Thanks to each of you who, in big ways and small, contribute to FFOMWV. Here's looking forward to another productive year!

In friendship,

Chris

## **TIME TO GET MOVING ON FRIENDSHIP SHARED** *BY VAN NICHOLS*

### **Remember these super fun and clever gatherings in 2018?**

It is time to start planning for next year's **Friendship Shared** events. Last year started with stone soup and ended with a campfire dinner and sing along. The money raised has been placed in the Journey account.

These funds will be used to help support adventures to be shared with incoming ambassadors. Let me know if you have a date and event in mind.
