

THEY CAME FROM EDMONTON!

Our Canadians are home sweet home, tucked in their own beds. When they dream, it will be of their week in our Oregon. The Wheatland Ferry was their cruise ship as they looked at Oregon agriculture backroading to the welcome potluck. "They don't have any straight roads!" Our great cooks did not disappoint,

Ambassadors and Hosts found each other and the week already had a good day. Free day on Monday with great thanks to small group dinner hosts. Tuesday was good weather for the Oregon Garden, some of us found Silver Falls and a craft beer at the visitor's center. Wednesday's Thyme Garden tour, the grounds and meal were exceptional. Those Thyme folks dialed it in, that meal was going to be one of the dreams in Edmonton.

Our hotel rooms were not ready, a round at Rogue helped all to get friendlier and maybe a little louder as well. A light dinner and a sleep got us ready for the Coast Aquarium and that afternoon we found enough pieces to assemble a sixteen foot whale skeleton at the Hatfield Marine Science Center. Friday morning - the Brownsburg Museum .What a

jewel! That afternoon we had a great docent educate us on what went into the Albany Carousel project, another dream

followed by our farewell dinner at Sybaris. All the Ambassadors ordered steelhead, nothing but praise and another dream. We feel pretty good about our Oregon, a good place to make photos and dreams.

The Journey is just that, a Journey, made possible by so many, maybe almost all of us in our club, we made origami boxes, cookies, food, drove, hosted, folded up chairs, cleaned the kitchens, lined up events and made arrangements. The Ambassadors thank you! Patsy and I thank you as well. It takes many to do a big lift. Just wish Patsy could have been with us! Well it happened again, more friends. I bet we see these folks on the road to Manitoba.

Remember what cousin Red Green said at the end of each show: "keep your stick on the ice".

Thank you All! Ted and Patsy

PRESIDENT'S MESSAGE *by CHRIS DUVAL*

Friends:

By the time you read this, the 2019 World Beat Cultural Festival will be over. I want to thank all the many club members who have made it possible for us to spread the word about Friendship Force by volunteering to work in the festival booth. I hope to report at the July gathering meeting that it was a success. We will see. At the least, we will have a lot of fun together.

I am continuing to seek a couple of volunteers to serve on the Nominating Committee. It is critical that we form this committee and let them get to work finding members who are willing to serve as officers for the 2020 Board of Directors. Please be thinking how you could be a part of serving in this capacity. Our club is vibrant and active in many ways, hosting and traveling together. But we need to have leadership in place.

If you are willing to serve on the Nominating Committee, please let me know. It is a very short duration – just a bit of phone calls and contacts in July and early August, and then you are done!

Be thinking as well about your wiliness to serve on the Board as Treasurer, Secretary, Vice President, or President. Our board meetings over the last two years have been busy and fun. We have worked to move the club forward and shared the work together. In 2020, I will be the former President, and as such, will serve on the board as an ex officio member, providing as much support as possible for the new board members to find success in their new roles.

Note that we have, now and then, had co-presidents, so that is an option too. It provides a back-up so that no one person has to do it all.

Thanks to each of our members for their contributions to the club. Thank you for stepping up.

In friendship,

Chris

2019 WORLD BEAT FESTIVAL *BY CHRIS DUVAL*

What a great time we had at the World Beat Festival this year in our FFI booth! It took many volunteers and a bit of effort, but we got the word out in our community about Friendship Force. Peter and Sharon Harr provided the popular salt water taffy to give away; we tattooed many arms and a few faces; and we gave out almost 100 flyers with details of international and local FF activities. Thanks so much to all who helped.

Pam Riley, who helped set up the booth.

FRIENDSHIP SHARED

BY SHIRLEY KARSTENS

Ted and Rita Powell graciously opened their doors on June 1st to 20 Friendship Force members and friends to celebrate The Yucatán Table. We learned that food from the Yucatán Peninsula tends to be high in flavor but not in spice. They served an abundance of wonderful food and no one went away hungry.

The feast began with cucumber martinis, chips and guacamole followed by chicken soup. The entree featured pork loin, vegetables and rice. Finally, we had Tres Leches cake for dessert. Of course, there was plenty of laughter and stories.

Then it was time for a serious discussion about the charity that should receive the money. Remembering the speakers at the May meeting who told about their work with refugees in Mexico who are fleeing their homes in Central America, it was agreed to donate to Latin America Relief Fund.

Thank you, Ted and Rita, for a delightful afternoon! And thank you members for your generous support of Friendship Shared.

Recipes for the delicious main dishes, Sopa De Lima and Short Cut Tres Leches Cake, may be requested from Mary Ellen Lind, Shirley Karstens or Rita Powell.

The next event is **WII Bowling and Pizza** hosted by Kathy Butler, Marilyn Peterson and Don Rea. It is scheduled for July 13 at 4 PM at Lakeside Center at the Mennonite Village. The cost is \$15 and space is available. Call or email Shirley Karstens if you have questions.
