The Friendship Force of Oregon's Mid-Willamette Valley February 2020

## February 16 General Meeting - The El Triunfo Bioserve Story

The February general meeting will be held on Sunday, February 16th at 2pm in the Albany Public Library, 2450 14th Ave SE. We are pleased to have as our featured speakers the director, founder and a supporter of FONCET, a non-profit with the goal of protecting and sustaining the Biosphere Reserve El Triunfo. El Triunfo is a cloud forest ecosystem in the Chiapas, the most southern state in Mexico. Chiapas is internationally recognized for its biological and cultural diversity. El Triunfo covers an area of 294,000 acres, similar in size to Multnomah County. The reserve protects one of the last major remnants of cloud forest, considered to be the world's most endangered ecosystem. It is home to thousands of species of plants and animals, and is also considered the region's largest freshwater reserve. In order to ensure the long-term conservation of El Triunfo, the El Triunfo Conservation Fund (FONCET, from its designation in Spanish) was established in 2002. This is a private charitable equity fund (501c3) that generates a portion of the required revenue, to ensure that the Reserve's contemplated programs and projects have the basic operating expenses covered, and that the reserve's activities can proceed without financial limitations. Director Ana Valerie Mandri Rohen, Founder Mavi Vazquez and Supporter Tim Gregory will convey to us the importance of this mission in the most southeast state in Mexico.

Please invite friends, friends of cloud forests, friends of Mexico and just interested folk to our meeting, we can find common understanding and share experiences the Friendship Force way.

## President's Message

Friends,

As your new President, I am going to need a lot of help. I feel a bit overwhelmed at this moment. But with my executive team standing behind me, we should have a successful year. Marilyn and Ted will keep me on my toes and make sure I toe the line. I still have to get to know Dennis Murphy, your Treasurer, but I am sure he too will be a real asset to the team. This year will be a success if everyone steps up and volunteers to help with jobs large or small. Please also just throw out ideas of things we can do throughout the year. We do need to find some interesting speakers for our monthly meetings.

I am looking for volunteers to be Journey Organizers for some of our outgoing and incoming journeys for the year. It is nice to have two people, a new person and a seasoned one. It is a fun job. You yourself often learn more about Oregon and the interesting places we have in the area of visit. I know I have.

I will see you in March as I leave you in February for a road trip with Lloyd to where we do not know. We will first go to a convention in Reno for four days and then head south to parts unknown.

In Friendship,

Juanita

## March 15th Meeting - Dasmesh Darbar Sikh Temple, Salem

Our March meeting will be held at the Sikh Temple, 860 Oakhill Ave SE, Salem. 2 pm meeting time. Women should bring scarfs for your head. We will be removing our shoes so wear socks and easily removable footwear. They will provide us with snacks. Be prepared, some might be spicy. Temple members are very open to talk about their religion and way of life in America. Please come with questions and open hearts and minds.

## Our Newsletter Needs You

Mary Ellen Lind was our newsletter editor for the past several years. Thank you Mary Ellen! Russ Karow has taken over this role. To have a useful newsletter, your inputs are needed. By the 25th of each month, please send information about FF activities in which you have been involved or that you are planning to Russ. The newsletter is distributed the first of each month. Photos are welcomed.

## New Member Pat Kelley

Hi! I'm Pat, a retired native Oregonian and cancer survivor. I've enjoyed many roles in my life including wife, mother, grandmother, sister and

caregiver. I love animals, Bible study and learning. Some of my hobbies and interests include working puzzles, sewing, watercolor painting, reading and traveling. I lost my hearing due to childhood illness and of necessity taught myself to lip read. I'm a long time hearing aid wearer and I regret not buying stock in Phonak (and Starbucks!) when I was younger. I'm looking forward to new friendships and adventures!

## Friendship Force Pledge

As a member of the Friendship Force, I recognize that I can make a difference. I recognize that I have a mission. That mission is to be a friend to the people of the world. As I embark upon this adventure, I know that others will be watching me. I know that through my example to my fellow citizens and the people of other nations, the cause of friendship, love and peace can be furthered. I can make a difference.

## Let There Be Peace on Earth

Let there be peace on earth, And let it begin with me.  
Let there be peace on earth,  
The peace that was meant to be.  
With friendship as our mission, Family all are we.  
Let us walk with each other In perfect harmony.  
Let peace begin with me. Let this be the moment now.  
With every step I take, Let this be my solemn vow:  
To take each moment,  
And live each moment, In peace eternally.  
Let there be peace on earth, And let it begin with me.

**The history of Valentine's Day**—and the story of its patron saint—is shrouded in mystery. We do know that February has long been celebrated as a month of romance, and that St. Valentine's Day, as we know it today, contains vestiges of both Christian and ancient Roman tradition. But who was Saint Valentine, and how did he become associated with this ancient rite? The Catholic Church recognizes at least three different saints named Valentine or Valentinus, all of whom were martyred because of some activity associated with love. Saint Valentine of Terni may have been killed for attempting to help Christians escape harsh Roman prisons. According to one legend, an imprisoned Valentine sent the first "valentine" greeting himself after he fell in love with a young girl—possibly his jailor's daughter—who visited him during his confinement. Before his death, it is alleged that he wrote her a letter signed "From your Valentine."
